PROFESSIONAL SUMMARY

- Results-driven Information Technology graduate (CGPA: 8.59) with extensive experience in Full-Stack Web Development, AI/ML concepts, and enterprise software deployment.
- Completed a one-year **PM Internship** at **NTPC Mining Limited**, spearheading live digital solutions and web systems currently deployed in production.
- Recognized for exceptional leadership, problem-solving, and **national-level representation** as a **VBYLD 2026** state selectee

TECHNICAL SKILLS

- Languages:** C++, Python, HTML5, CSS3, JavaScript, PHP, SQL
- AI & Machine Learning:** Prompt Engineering, LLM Application Workflows, Scikit-Learn, Pandas, NumPy, Data Preprocessing
- Libraries & Frameworks:** React.js, Bootstrap
- Tools & Platforms:** Git, GitHub, VS Code, Firebase, MySQL, InfinityFree, Brevo API
- Core Fundamentals:** DBMS, Object-Oriented Programming (OOPs), Operating Systems, Computer Networks, Software Engineering

PROJECTS

Pragati Path (Live Enterprise Portal) | PHP, MySQL, JavaScript, Bootstrap, Brevo API

- Designed and deployed a live workflow and progress-tracking web platform currently operational within NTPC.
- Implemented secure role-based access control, dynamic data dashboards, and automated email alert mechanisms to streamline inter-departmental communication.

Kharcha Pani (Personal Finance & Expense Tracker) | PHP, MySQL, Bootstrap

- Engineered a responsive personal finance dashboard featuring expense categorization, data visualization, and secure user authentication schemas.

Disaster Management System | React.js, Firebase, MySQL, HTML, CSS

- Developed a collaborative web platform to streamline real-time emergency communication, alert broadcasting, and resource allocation mapping.

EXPERIENCE

PM Intern (IT & HR Departments) | NTPC Mining Limited (Kerandari Coal Mining Project)

- Spearheaded the design, development, and deployment of live internal web portals utilized for daily operational efficiency and workforce management.
- Developed **Pragati Path**, a live enterprise portal streamlining project progress tracking and administrative operations across the project site.
- Built and integrated automated administrative systems including the **Suggestion Box Portal**, HR Task Planning (**Pragati Path**), Dak Record System (**DakFlow**).
- Automated real-time email dispatch workflows across portal modules utilizing the Brevo API and generated dynamic PDF reporting outputs for management review.

EDUCATION

- University College of Engineering and Technology (VBU), Hazaribag
 - Bachelor of Technology in Information Technology (IT) | **CGPA: 8.59** (Ranked 1st in Branch) | **2021 – 2025**
- Annada College, Hazaribag | Higher Secondary (XII) | **Percentage: 74.20%** | **2020 – 2021**
- Shiksha Niketan High School, Hazaribag | Secondary (X) | **Percentage: 94%** | **2018 – 2019**

ACHIEVEMENTS & CERTIFICATIONS

- VBYLD 2026 Selection:** Selected among top applicants nationwide (from a pool of **50 lakh candidates**) representing Jharkhand.
- Academic Excellence:** Consistently ranked 1st in the IT branch throughout the B.Tech curriculum.
- Technical Recognition:** Earned Google Cloud and GeeksforGeeks platform contribution badges
